Charity Golf Day 26 June 2018

I am writing to inform you of our annual Charity Golf Day, on 26th June, hoping that you will be able to bring along a team for a fun day of competition, raising funds this year for the new Cancer Centre at Dorchester County Hospital, where several local Rotary clubs are hoping to fund the fitting out of six main consulting rooms. Last year's charity golf day raised three thousand pounds split between Future Roots and Yeovil Freewheelers and I hope we can do something similar this year for the new Cancer Centre.

The day will be held at Sherborne Golf Club, one of the best courses in Dorset with 18 holes of wonderful golf and magnificent views over the Vale of Blackmore - and Glastonbury Tor on a good day.

We will be starting off with coffee and bacon rolls on arrival, followed by an 18-hole Stableford Challenge for teams of four players, and we plan to run a putting competition between completion of golf and dinner with six Titelist golf balls for every person who can sink a long putt. There will also be a raffle with many good prizes.

After golf and the putting competition there will be a two course dinner followed by the prize giving and an auction for a variety of "must have experiences"!

The cost will be £160 per team of four (£40 per golfer), the same as last year.

I do hope you will be able to join us and I enclose a poster and registration form.

For planning purposes, in organizing tee times and for catering, I would appreciate receiving your completed registration form and payment no later than June 1, 2018. I look forward to welcoming you on the day.

I would like to thank you in advance for your participation in this fun and worthwhile event.

Frank Skinner
